Positive and energetic Computer Science graduate with experience in UI / UX, full-stack web development, and graphic design. Former hair designer with experience in London, Singapore, and Tokyo with a proven track record. Seeking a second career, after motherhood, in the technology industry.

WORK EXPERIENCE

TAMSAN

System Integration Consultant

Singapore

Oct 2017 - Jul 2018

- Maintained web content for the Singapore-oriented presence for major Japanese organizations such as All Nippon Airways, Kyocera, and Japan National Tour Organization, using CMS tools such as WordPress.
- Had to collaborate with team and clients on UX improvements such as user flow, site maps, as well as data analytics, reporting, analytical support, content grading, grammar checking and proofreading, for various companies such as Pigeon.

Rubik

Singapore

Senior Stylist

Dec 2015 - Feb 2018

- Did hair cuts, coloring, and perms for a diverse demographic, including models for fashion events.
- Managed salon social media presence, including Instagram and Facebook. Also trained junior stylists and assistants.

J. Moriyama Hair Design / English National Opera

London, UK

Senior Stylist

Apr 2013 - Apr 2015

- Was a top-performing hair stylist with deep customer experience of over 2000 customers in a 2-year span.
- Worked for various theater projects in a fast paced environment requiring time management and judgment.

Hair Resort SUI

Tokyo, Japan

Stylist

Oct 2011 - Jan 2013

- Worked as a head spa esthetician and stylist for a competitive hair salon in Tokyo in a dynamic environment.
